

Working At Life

Mr. Sterner's Sides

Start

Mr. Sterner

I'll be blunt. There's been another complaint about your behavior.

Will

My behavior?

Mr. Sterner

Yes. *Your* behavior.

Will

What exactly have I done to upset *those* pansies?

Mr. Sterner

You're not the boss so you don't get to tell people what to do!

Will rolls his eyes.

Will

I wouldn't have to correct them if they did it right the first time!

Mr. Sterner, clearly getting fed up, pinches the bridge of his nose and exhales in frustration audibly.

Mr. Sterner

Your work is perfect, but your people skills are shit.
One more complaint and you're out.
