Theo

Dude that's not the right thing to do, we can't just leave him there

Theo's now trying to give Jerry CPR and Victor snatches the weed and his 200 bucks back.

Victor

Victor takes the coke out of Jerrys pocket too

Theo

Your actually serious, Wow man Jerry was right you are an asshole

Victor

He's a JUNKIE! This could be the only party we ever get invited to,
Are you kidding me? Were here doing fucking nothing
while people are probably balls deep at that party right now

Theo

You do you man, I'm staying here, your ass can walk to sigma fi faggot

Victor

Your fucking loss jackass, haha, I only needed you for this bag anyways.
Now you can rot here with your new boyfriend Jerry.

Victor flips off Theo as he leaves for the party. Possibly have him on the phone with the Seniors saying he's on the way with the stuff.

Theo starts to ball up then looks at Jerry.
