

SOPHIE

I'm scared of getting my hopes up.
What if it's awkward. What if we
have nothing to talk about?

MAX

Oliver could talk about literally
anything.

SOPHIE

I just... I don't want to hurt him.
Or myself.

Brief pause.

SOPHIE

I'm going home.

MAX

Wait!

SOPHIE

What if he's not what I'm looking
for. What if I disappoint him?

MAX

You won't! Just be yourself. That's
all anyone can ask for.

SOPHIE

I also have this anxiety about
meeting new people--

MAX

- So does Oliver!

Sophie sighs.

SOPHIE

I'm just so scared of messing it
up.

MAX

You won't.

Sophie looks ahead. She takes a hesitant step forward, then
stops.
