

BOSS SIDES

START

BOSS

You're two hours and 53 seconds late on your second day, human. That doesn't bode well.

SPECTRA

Where have you been young lady?!

WRAITH

Yeah you had us worried sick!
Nero gulps, his voice shaky.

NERO

I apologize, It wont h-happen again.

BOSS

Oh I know it won't, and to ensure that you don't grow complacent with me, I will decide your punishment.

The Boss slowly reveals a red candle and lights it.

BOSS (CONT'D)

This lit candle represents your life force here. As long as it burns, you're employed here. But if the flame goes out before sunrise, well...

Boss weakly blows on the flame, causing it to jerk around.

Nero stumbles in pain, clutching his stomach.

BOSS (CONT'D)

To make up for lost time, you'll be pulling an overnight shift to finish processing and filing those client reports. And as for these two layabouts —

She nods toward Wraith and Spectra, trying to look busy.

BOSS (CONT'D)

They'll be supervising you. Make sure you three work get this done before dawn, or...

END
