

MR. SLANDERS SIDES

START

**MR. SLANDERS**

Rule 1,984... no outside factors, no creativity.

**KRIS**

I don't see the problem--

**MR. SLANDERS**

- That's EXACTLY the problem!

**KRIS**

Sir, with all due respect, what's wrong with being creative?

**MR. SLANDERS**

You wanna know my issue with it? My parents HATED creativity! Anytime I would draw something or gift them a picture I made, they would just RIP it up.

**KRIS**

That doesn't mean you have to--

**MR. SLANDERS**

- You either follow the company policies or you're out of here!

Slanders, handing Kris papers.

**MR. SLANDERS**

I want a company brochure. No creativity. By dawn.

**KRIS**

Fun.

NEXT SCENE

**MR. SLANDERS**

Ah, you're here.

**KRIS**

I finished your brochure, sir.

**MR. SLANDERS**

...Did you get any sleep at all?

**KRIS**

No, sir.

**MR. SLANDERS**

Alright, kid. Whaddya got for me?

END
