INT. SEANCE SOLUTIONS ENTRANCE- NIGHT

Nero enters the building once more. He raises a brow, looking left to right.

The office looks spookier than usual.

NERO

Hello? Wraith? Spectra? You guys better not try anything funny...

Only silence answers him. An uneasiness grows as he realizes how creepy the usually mundane office looks at night.

INT. SEANCE SOLUTIONS OFFICE HALLWAY - NIGHT

NERO (CONT'D)

Come on, I'm not in the mood for jokes. Cut it out already!

Suddenly, Spectra materializes right in front of Nero, his body glowing an eerie Blue.

SPECTRA

BOO!

NERO (CONT'D)

Ahhh!

He jumps back with a yell and loses his balance, landing hard on his butt. Spectra cackles with glee.

Nero glares up at the mischievous ghost. He scrambles to his feet, brushing himself off. His voice cracks with fear.

NERO (CONT'D)

R-really, Spectra? W-we have work to do and y-your little scares aren't
H-helping.
