SEARCH KYLE AND DIANA

Headset off,

KYLE

I just can't make sense of what
she's saying... tallest building,
100 flag?

DIANA

She's counting on you.

KYLE

I can't-- feels like I'm back in in
the Army, on the battlefield, I
froze. Good men got hurt.

DIANA

You were scared, it was war. I
would be too but a little girl is
scared and you are her only hope.

KYLE

Yeah, gotta save her.

DIANA

Take it slow. What are the tallest
buildings in the area?

KYLE

Across the river in Philly?

DIANA

Is there a pointy building?

KYLE

Yeah, right next to the Comcast
building. The Comcast Building!

Headset on,

KYLE (CONT'D)

Angel, you're so smart. You can
see a bunch of big buildings.

ANGEL (O.S.)

Yes.

KYLE

Is there a building closer to you?

ANGEL (O.S.)
It's really dark, I can only see
the flag.

Headset off,

KYLE
I still don't know what 100 flag
means?

DIANA
100 what? Why would it say 100?

KYLE
100 years? 100 miles? 100 feet...
100 feet!

Headset on,

KYLE (CONT'D)
Angel, can you see more flags
behind the 100 flag.

ANGEL (O.S.)
I think so..I'm really cold and the
water is getting higher.

KYLE
Angel, I've got you.

ANGEL (O.S.)
Ok. Please hurry! It's so cold!

Kyle searches a map on his computer.

KYLE
It's a golf or a driving range!

DIANA
That's it. A distance marker at a
driving range.

KYLE
Found it and it has a pond!

Kyle flips on the radio.
