INT. GUEST BEDROOM - MOMENTS LATER

Dorian sits on the bed watching TV.

Marcus passes by the room.

DORIAN
Yo Unc!

Marcus tracks back to Dorian's door.

MARCUS
What's up?

DORIAN
Your old room got a lot of Power's
shit in there. If you want to stay
away from him then you better come in
here.

Marcus enters Dorian's room and sits in the chair.

Both of them stare at the television.

DORIAN (cont'd)
Is that true about grandma and
grandpa?

Marcus looks at Dorian.

MARCUS
Afraid so nephew.

DORIAN
I didn't know old people were
smashing like that.

MARCUS

(chuckles)

They were young and dumb too.
Everyone is at fault. Take notes.

DORIAN
Even you?

Marcus puzzled at his comment

MARCUS
Even me. Sometimes I get over my
head. Sometimes.

DORIAN
She can be hard on you. It's that she
had to endure this between grandpa,
uncle T, and grandma passing she
didn't have help like that.

A slap and a thud is heard from the room.
Marcus and Dorian go out to the living room to investigate.
