

## **LILY – Audition Sides (Age 10)**

### **Scene: INT. DARK ROOM – NIGHT**

*(Lily is isolated, traumatized, with tears streaming down her face. She speaks softly, brokenly. This moment reveals her fear and longing.)*

**LILY**

*(tearful, whispering)*

I wanna go home.

*(beat, hugging herself, quietly)*

Mommy?

### **Scene: INT. LILY'S ROOM – NIGHT**

*(Lily is curled up in bed. Heather enters. Lily breaks the silence.)*

**LILY**

Mommy... can we move?

*(beat)*

Can you lay with me? Just for a little while?

---

## **HEATHER – Audition Sides (30s)**

### **Scene: INT. KITCHEN – NIGHT**

*(Heather is alone, writing a painful letter to the man who harmed her daughter. She narrates in voiceover as she writes and fights through her own breakdown.)*

**HEATHER (V.O.)**

To the one who stole my child's innocence...

I hope you never think of her again.

She is not yours to remember.

*(pause, bitterly)*

Does it haunt you like it haunts me?

Or did you just move on to the next victim?

### **Scene: INT. POLICE STATION – DAY**

**HEATHER**

I thought... I thought it was over.

*(beat, rising urgency)*

Let me see it!

*(after seeing the video – nauseated, disgusted)*

I can't...

## **HEATHER**

Hush Little Baby Don't Say A Word... Mommy's Gonna Buy You A Mockingbird

(Singing happily with laughter)

## **DETECTIVE ROBERTS – Audition Sides (50s, seasoned, empathetic but hardened)**

**Scene: INT. POLICE STATION – DAY**

### **DETECTIVE ROBERTS**

(sighs)

It's happening again.

Lily's video resurfaced—on the dark web.

Different site, different country.

*(pause)*

I'm sorry. Unfortunately not. It's got thousands of views.

I don't wanna show you...

*(beat, after Heather insists)*

I understand. I'm so sorry.

## **THE PREDATOR – Audition Sides (Age unspecified, chillingly calm and detached)**

**Scene: INT. PREDATOR'S APARTMENT – NIGHT**

### **PREDATOR (V.O.)**

I didn't hurt her. Not really.

I told myself it was just once. Just a mistake.

I can stop whenever I want.

*(pause)*

She liked the attention. She liked feeling special.

*(He reads chat messages silently on screen, visibly affected but refuses to acknowledge guilt.)*

### **PREDATOR**

I wonder if she sees me in her head too.
