

## PENNY

### STEWART SIDES

#### START

Stewart is eating a sandwich inside of his company car when he sees that Mary is calling him.

He takes a bite out of his sandwich and answers the phone.

STEWART

(seductively)

Hey baby what's going on.

Stewart continues to chew.

MARY

(whispering out loud)

When were you going to tell me you had a wife?

Stewart slightly chokes on his sandwich.

STEWART

What are you talking about?

MARY

(whispering)

Why am I inside of your house with your wife?

STEWART

How did you find my house?

MARY

I was returning your dog that your son that you never mentioned to me lost.

STEWART

It never came up.

MARY

It also never came up that you had a wife!

STEWART

(desperate)

Look I'm sorry that you had to findout this way. I'm five minutes away. I'll be right there. Just please don't say anything to her. You don't know how she can be. She acts all...

Mary hangs up the phone. Stewart sees the call has been disconnected and throws his sandwich on the closed glass window. 2.

He repeatedly slams his hands on the steering wheel.

STEWART  
(while hitting the  
steering wheel)  
FUCK

**END SCENE**

**START NEW SCENE**

STEWART (cont'd)  
I'm the one that pays the bills in this house! That's who I am! While you sit around all day drinking and feeling sorry for yourself that nobody cares enough to see you I put food on the table for you and Caleb. I can say and do whatever I want.

Mary stands up to exit but is in awe of what she is watching.

STEWART (cont'd)  
Do you want to know the real reason I spend so much time "at work" and am home so late? It's because I've been fucking her!

Stewart points to Mary. Joan's focus shifts from Stewart to Mary. Mary looks shocked.

STEWART (cont'd)  
That's right! All this time I've been coming home late! Every time I've missed Caleb's football practices, every time I--

JOAN  
Get the out of my house.

**END**
