

DOCTOR INIQUITOUS SIDES

START

TECHNOMANCER
Trust me man.

Technomancer smiles and begins to chuckle again.

TECHNOMANCER
Back in my *prime days of villainy*, I
would have one broad in each arm.
They'd be all over me- they couldn't
get enough of me. I remember one of
them was named Cherry... and boy did
she taste like one!

Technomancer attempts to get Iniquitous' attention.

TECHNOMANCER
(beat)
I bet you had some ladies swarmin' you
when you were active back then.

DOCTOR INIQUITOUS
(beat)
Yeah, I did have some.

Technomancer smiles wider and nods his head.

TECHNOMANCER
Oh ho ho, oh yeah you did!

Iniquitous begins to smile and chuckle a little himself.

TECHNOMANCER
I bet they were *all* over you with all
those dastardly schemes you pulled off!

DOCTOR INIQUITOUS
Oh of course they were, all the time!

They both continue laughing, Technomancer slaps his knee.

DOCTOR INIQUITOUS
The two girls I remember the most
fondly, their names were Flo and Mary.
(beat)

Now when I say they were wild, let me
tell you, *they were wild.*

TECHNOMANCER
Oh, I can only imagine!

More laughter continues, Iniquitous breaks the ice.

DOCTOR INIQUITOUS
(beat)
You still gettin' these bitches?

Technomancer awkwardly stops laughing.

TECHNOMANCER
(beat)
I mean... I *did* say back in my day-

DOCTOR INIQUITOUS
Your *prime* days.

TECHNOMANCER
(beat)
Ah-y-yeah- by that I meant younger
years I guess.

DOCTOR INIQUITOUS
So do you think you're still in your
prime?

TECHNOMANCER
Well I know I'm not as young as I used
to be-

DOCTOR INIQUITOUS
You don't have to be young to be in
your prime. You can be in your prime
when you're twenty-eight, you can be i
n your prime when you're sixteen-
peaking in high school. You can be in
your prime at ninety-fucking-eight. Age
doesn't matter in this contex

here, for when you're *in your prime.*
All that matters is how you grind.

Technomancer looks at him puzzled.

TECHNOMANCER

(beat)
How I *grind*?

DOCTOR INIQUITOUS
Yup.

TECHNOMANCER
How I grind *what*?
