MIKEY

So what does a fine woman such as yourself drink?

JANE

Aperol spritz.

MIKEY

Ah... too citrus-y for my taste. I'm a negroni man myself.

JANE

Don't negronis have orange peels?

MIKEY

Yeah, but I just throw those out.

JANE

Who needs a garnish anyway?

MIKEY

Right? Exactly. I've been saying this for years but nobody listens to me.

They both laugh.

MIKEY

I'm Mikey by the way.

MIKEY puts out his hand.

JANE

Oooh, a gentleman.

She shakes his hand.

MIKEY

Reports of chivalry's death are greatly exaggerated.

He bows.

JANE giggles.

MIKEY

You from around here, Jane?

JANE

Born and raised, Mikey.

MIKEY

Nothing beats the city life, huh?

JANE

Is there any other kind of life?

MIKEY

Not to a guy like me. So who are you named after - Calamity, or Fonda?

JANE

Actually, it's a family name. Well, my dad's name is Shane and my mom's name started with a J.

MIKEY

Like Bennifer.

JANE

Exactly.

She giggles.

JANE

And how about you, is Mikey short for Michael or is it written on your birth certificate?

MIKEY

Who says I have a birth certificate?

MIKEY smiles.

MIKEY begins to wake up.

MIKEY

What the fuck? What the fuck! What is this, what are you doing to me?

MIKEY notices the tools, and considers the plastic surroundings.

MIKEY

Holy shit, are you some kind of fucking serial killer?

JANE

It's my first time, actually, and I'm a little nervous.

MIKEY

You're fucking crazy... you're a psycho bitch!

JANE gets up close to MIKEY'S face. She puts her finger on his forehead.

JANE

And you are a rapist.

MIKEY

You stupid fucking cunt, murder is WAY worse than rape!

JANE

Not if you murder a rapist.

MIKEY

Oh, you bitch, oh you goddamn scum-sucking whore-shit-bitch. I can't take it, I can't take this, oh my fucking god..

MIKEY struggles again, JANE keeps pacing around him. He settles down.

MIKEY

(mumbling)

I never woke them up..

JANE

What was that?

MIKEY

I never woke any of them, they never knew what happened. This is sick, you're cruel!
