Police Officer Sides

START HERE

A police officer walks over to Rebecca, approaching her from behind.

POLICE OFFICER

Rebecca?

Rebecca looks frustrated, she turns her head to see who is talking to her.

REBECCA

Oh, what the fuck!

POLICE OFFICER

Your mother called us. It sounds like you are having a bit of a struggle right now and you attacked her. Can you tell me what happened?

Rebecca looks away from the police officer.

REBECCA

I didn't attack her. She pushed me and without thinking of it, I pushed her back.

POLICE OFFICER

She said you attacked her and she showed us the broken picture frame. She said you have episodes like this and that you've been in the hospital before.

Rebecca stands up and faces the police officer.

REBECCA

Oh, that's some real fucking rich
storytelling right there.

POLICE OFFICER

Alright, enough with the swearing.
The way I see it is you have two
options - I put you in cuffs and take
you down to the station, or you can
go to the hospital for a mental
evaluation, what do you want to do?

REBECCA

Well obviously I am not choosing the
cuffs.

POLICE OFFICER

Alright. I'll call an ambulance.
