ARIELLA

Hey Mom! What's up?

MOM (V.O.)

Hey sweetie! Oh, nothing much, but the good news is I finally got Davis to stop bothering me! I think they've finally listened to my complaints about him, ha! What about you, love?

ARIELLA

That's great! I've been quite busy myself, I'm working on a project.

MOM (V.O.)

Ohhh, back at it with a project, huh? Better not take up all your time like all the others did!

MOM (V.O.)

What's that loud music in the background? Is someone else with you?

ARIELLA

Oh, it's ummm, just an old cassette I found,

ARIELLA

It does this weird thing where it plays randomly? It's been happening ever since I got it, I think it's possessed.

MOM (V.O.)

Oh, please, how many horror movies have you watched? Throw that thing out!

ARIELLA

Yeah, I know, but I was kind of enamored by it, it had a charm, y'know?

MOM (V.O.)

That's how they get ya! That's when all the ghosts and demons take you away!

Ariella has a slight reaction after her mother says "ghosts"

ARIELLA

Yeah, you're right. What's odd is I think, well, not think, know it's a playlist for someone's past lover.

MOM (V.O.)

(Monotone)

Oh, that's interesting.

ARIELLA

Yeah, to some Richard guy.

Her mother goes silent on the other side of the line

ARIELLA

Mom? You there?

MOM (V.O.)

(Slightly uneasy)

Yes, sweetie, I am. Just, well, thinking about how (pause) interesting a find you got!

ARIELLA

Yeah, and it's all full of rock and roll, all songs we like too! But it's just... off.

MOM (V.O.)

How so? You've already said it's possessed.

ARIELLA

It's just...

She sighs and waits a couple seconds, before deciding to explain to her mother.

ARIELLA

Some supernatural things have been happening, I don't even know if I can explain it.
From the music to seeing things, I just don't know.
