ELI

Why don't we do that dark secret segment? That's spooky, right?

ZOEY

Oh my god, yes! We get to do one of my ideas for once.

ELI

After that, we can call the conjoined twins with different boyfriends. I forget their names.

ZOEY

(quickly)

The Lynchian sisters? Yeah, I'm obsessed. Like, how does that even work?

ELI

(naughtily)

No idea. All I know is that I can't stop thinking about them, and it's ruining my life.

JACOB

(sarcastic)

I'm sure they're real into fat podcasters with mommy issues.

ELI

(sarcastic)

Well, if they're into guys who failed at life from every angle, you might have a fighting chance.

JACOB

Touché, my friend... Touché.

Goes in for a handshake and then fakes Eli out by moving his hand away.

ELI

You run me up a fucking wall, Jacob.

JACOB

At least you're running.

Eli tries to think of a comeback but can't.

ZOEY

(sarcastic)

You two are gonna make someone's daughter a very happy lady.

ELI

(Embarrassed)

Let's get this shit started already.

ZOEY

I'm ready.

JACOB

Same here.

ELI

Mic is hot in...5...4...3...2...1!

ZOEY
